**WHEREAS**, from an initial list of over 400 locations around the world, the Puerto Princesa Underground River is the lone finalist from the Philippines and now counts among the top 14 of the 28 Official Finalist Candidates, selected by a panel of international experts from a list of 77 contenders via the first round of global voting from 2007 to 2010;

**WHEREAS**, the 8.2 kilometer long Puerto Princesa Underground River, formed 30 million years ago, is considered the longest underground river in the world, with unique and outstanding scientific, biological and geological features that merited its being recognized as a UNESCO World Heritage Site in December 1999 and being declared as a National Geological Monument in December 2003;

## **ANNEX A**

### **A PRAYER FOR TEACHERS**

Giver of All Wisdom and Greatest of all Teachers,

Look upon our teachers with love

Grant them the resolve

To nurture our eager minds

And to never give up on us who fall behind

Bless their hearts

For they rejoice when we succeed

And encourage us when we fail

Endow them with gentle patience

For the path of learning is never easy

Kindle a spirit of passion in them

It is the flame that ignites the love of learning in us

Help them see the potential in each student

Their belief in us means much more than the grade we make

Instill in them a commitment to keep on learning

It shows us to not fear new knowledge and experiences

Inspire them to touch the future

They influence how big a dream we dream for ourselves

Bless our teachers who have come before

For their work endures to this day

Let the light of Your example shine upon all teachers:

To build up with their words

To love with their mind

To share with their heart

Amen.

### **PANALANGIN PARA SA MGA GURO**

Tagapagkaloob ng Lahat ng Kaalaman at Guro ng mga guro

Bigyan po Ninyo ng pagkalinga ang aming mga guro

Biyayaan Ninyo sila ng kahandaang

Linangin ang aming murang isipan

At huwag magsawa kapag ‘di makahabol ang turuan

Pagpalain nawa ang kanilang mga pusong

Nagdiriwang sa tuwing kami’y nagwawagi,

At nag-aalo sa tuwing kami’y nadadaig

Pagkalooban Ninyo sila ng mahinahong pagtitiyaga

Sapagkat ang landas ng kaalaman ay hindi madali

Pagningasin Ninyo sa kanila ang maapoy na diwang

Nagpapaliyab sa kagustuhan naming matuto

Tulungan Ninyo silang makita ang galing sa bawat mag-aaral

Wala sa marka ang halaga kundi sa pananalig nila

Ikintal Ninyo sa kanila ang walang pagkauhaw sa karunungan

At bagong kaalaman at karanasan ay ‘di dapat katakutan

Turuna po Ninyo silang masgilang abutin ang alapaap

Kasinsigla at kasintayog ng sarili naming pangarap

Pagpalain po Ninyo ang mga gurong nauna sa amin

Ang nagawa nila ay napapakinabangan pa rin

Tanglawan po ng Inyong mabuting halimbawa ang kaguruan

Upang makapagtayo sila sa pamamagitan ng kanilang pangungusap

Upang makapagmahal sila sa pamamagitan ng kanilang isipan

Upang makapagbahagi sila sa pamamagitan ng kanilang puso

Siya nawa
